

# Upskill or train for a new career

In partnership with **LearnNow** (Jigsaw Training RTO No. 32423 and Core Industry Training RTO no. 91712) we are pleased to offer all **Jobfind job seekers** the opportunity to participate in **FREE training** designed to support you to re-enter the workforce, upskill or train for a new career.

Training is the vehicle to unlocking your next career move and LearnNow offers you the support you need to help plan your successful career path.

LearnNow is offering ALL of its courses online which can be completed in the comfort of your own home. You can study self-paced online or join our Virtual Classrooms where you will connect with your trainer and peers.

Select from:

Single Units

5 Day Bootcamps

Skillsets

A recent study found that 95% of Human Resource Managers are actively seeking skillsets on resumes for job applications. Backed by the power of video conferencing, these courses are paving the way for education in the new age and are developed with a particular industry in mind. They are highly valued by employers.

For more information about LearnNow courses that are open for enrolments at all times please read this [course guide](#).

Talk to your employment consultant for more information or enrol now by visiting [Jobfind's Training and Development page](#).
