

## IT'S TIME TO SHINE!

### Jobfind is pleased to present the latest Workforce Australia-Career Transition Assistance (CTA) program

This 3-week program is designed to help participants aged 45 years and over to quickly improve their confidence and skills to find and secure quality employment.

#### Participants get practical support in a group setting to:

- Use everyday workplace technologies such as computers and smart phones
- Learn faster and easier methods to find and apply for jobs
- Identify skills they can transfer to new and growth industries
- Practise interview skills and enhance resumes and job applications
- Access local jobs and hiring employers.

**CTA Participants earn 15 points per week towards their Points Based Activation System (PBAS) target.**

**Ask your employment services provider to enrol you today!**
